

**Introducing the FIRST  
video darts game.**

# Bullseye

CONVERTS  
CENTIPEDE

Another first from MAGIC Electronics! BullsEye is a truly realistic dart game that converts Centipede\*.

Fantastic fun for one or two players! Touch a button and choose from three highly competitive games. 301, High Score or Round The Clock.

Using the original Centipede\* track ball, players control a "moving hand" which throws the darts. Just as in real dart games, BullsEye involves actual wrist action!

**Exciting Features:**

Bonus darts, direction indicator, free game awards (optional), difficulty controls, individual high score tables, plus super sounds, colors and graphics.

**Conversion is Quick and Easy!**

**Complete Kit Includes:**

- all electronic parts
- conversion board
- all documentation
- clear, simple instructions
- promotional plexiglass panel for added player participation

BullsEye is now available from all good distributors.
